

BIKE LOCKER INFO

Peak Adventures rents bike lockers across campus. We currently have 124 bike lockers available to rent for students and the public.

RATES

\$30/Fall or Spring semester with a \$20 key deposit.
\$20/Summer semester with a \$20 key deposit.

WHERE TO RENT A LOCKER

They can be rented at the front desk in The Bike Shop at Peak Adventures. See the map for office location.

LOCKER SPECIFICS

The lockers are covered and locked by a key. They can fit one bicycle and some cycling gear. Most bikes will fit in a locker; however, oversized bikes with wide handlebars may not fit. Lockers can be used for other gear/equipment if desired, such as motorcycle gear or other equipment space.

Please visit Peak Adventures for more information and to rent your locker today. Spaces fill quickly, so we recommend renting on or before the first day of the semester. Current semester renters have priority (as long as renewed by the deadline) for the following semester.
