

**PEAK ADVENTURES OFFICE**

**LOCATION**

- The Peak Adventures office is located on the North end of the University Union, near the north-east entrance. Look for a green wall a half story below the walkway. Our entrance is down the stairs on the right.

**ARRIVING BY CAR**

- Permits for cars are \$7; cash and credit cards are accepted at noted points (\$) on the map. Parking permits are required for cars 24 hours a day, every day of the year.
- Some 30 minute spots are available on the noted points on the map.
- Cars should park in Parking Lot structure 2 or lot 7 after purchasing a daily permit (see map/key).

**ARRIVING BY FOOT/BIKE**

- In addition to the two main entrances to campus (see above), the Guy West Bridge allows access from the American River Bike Trail and the Hornet Crossing allows access from 65th street (Light Rail, Upper Eastside Lofts).
- When you arrive, feel free to bring your bike in with you—after all, we are a bike shop!
